The image shows a mobile app interface for ID.me. At the top, the ID.me logo is displayed. Below it, the heading 'SECURE YOUR WALLET' is shown, followed by a progress indicator with three steps: 1, 2 (highlighted), and 3. The main heading is 'Receive a code by phone'. Below this, a note says 'Please use a phone number you can access whenever you plan to sign in.' There are two buttons: 'Text me' (with a phone icon) and 'Call me' (with a phone handset icon). Below these buttons is a 'Phone Number' input field with a dropdown menu for country codes, currently showing the US flag. This input field is circled in red. Below the input field, a small disclaimer reads 'THE NUMBER PROVIDED WILL ONLY BE USED FOR WALLET SECURITY. MESSAGE AND DATA RATES MAY APPLY.' At the bottom of the form are two buttons: 'Go back' and 'Continue'. Below the form, there is a language selector showing 'English' with a dropdown arrow, and links for 'What is ID.me?', 'Terms of Service', and 'Privacy Policy'.

Step 5: Phone Verification (If Using Text or Call)

1. Enter the phone number you want associated with your account.
2. Click **Continue**.
3. Receive the verification code.
4. Submit the verification code.
5. This will Log-In to your ID.me account.

Step 6: Log Out of ID.me

When you are finished using ID.me, log out. You are using a shared or public computer.

1. Click the **profile icon** in the upper-right corner of the screen.
2. A drop-down menu will appear showing your email address and account options.
3. Click **Log out**.
4. Wait for the sign-out process to complete. Return to the ID.me home page to confirm you are logged out before closing the browser.
